**Subject Guide** are our initiative in providing better services for lecturers, researchers and students in preparing their research works. It also provides tips and guides as well as reliable sources of information.

A Subject Guide is a quick way to obtain authoritative and reliable information about a subject. It is a starting point to help users in finding information you are looking for. Besides, helping users successfully navigate the library sources. You can also save your time to identify some of the major and specialized sources for your research area.

These guides help highlights a variety of resources accessible via the library portal including printed materials, databases, e-journals, and organizations. Choose your area of study and explore the available Subject Guide.

If you are looking for referencing and study help, please visit the Subject Guide Portal.

1. AGRICULTURE

## LIAISON LIBRARIAN

In order to support and reinforce learning activities, teaching and research at UPM, Perpustakaan Sultan Abdul Samad (PSAS) has introduced a service offered by Liaison Librarian. Through this program, PSAS has appointed a Librarian who will be responsible directly to the faculty, school, institute and center represented.
