SUBJECT GUIDES @ PSAS

Subject Guides is our initiative in providing better services for lecturers, researchers and students in preparing their research works. It also provides tips and guides as well as constant source of information.

SUBJECT GUIDES

Our librarians prepared these guides to show you the variety of resources you can access in the Library and online, including databases, e-journals, e-books and websites. Choose your area of study and explore the available subject guides.

LIAISON LIBRARIAN

In order to support and reinforce learning activities, teaching and research at UPM, Perpustakaan Sultan Abdul Samad (PSAS) has introduced a service offered by Liaison Librarian. Through this program, PSAS has appointed a Librarian who will be responsible directly to the faculty, school, institute and center represented.

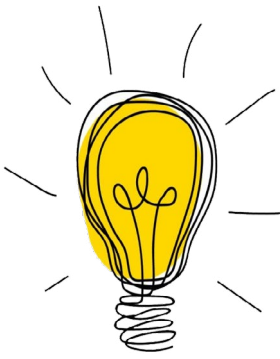

[Get to know your Liaison »](#)

Subject Guides is our initiative in providing better services for lecturers, researchers and students in preparing their research works. It also provides tips and guides as well as reliable sources of information.

A Subject Guides is a quick way to obtain authoritative and reliable information about a subject. It is a starting point to help you find the information that you are looking for. Besides, it also helps you successfully navigate the library sources. You can also save your time to identify some of the major and specialized sources for your research area.

These guides show you the variety of resources accessible via the library portal including printed materials, databases, e-journals, e-books, organizations and internet sources. Choose your area of study and explore the available Subject Guides.

IDEA

Where can I find Subject Guides?

Go to the Sultan Abdul Samad Library homepage and click on the Information portal in the E-Resources section. You will see a collection of guides in the Subject Guides Portal (<http://subjects.upm.edu.my/sq/>).

1. Agriculture

2. Education

3. Geography,
Anthropology,
Recreation

4. Medicine

5. Music & Art

6. Philosophy,
Psychology,
Religion

7. Science

8. Social Sciences

9. Technology

Agriculture Religion
Philosophy Art
