Online Theses @ ProQuest Dissertations & Theses Global
Introduction

The **ProQuest Dissertations & Theses Global** (PQDT)™ database is the world's most comprehensive curated collection of multi-disciplinary dissertations and theses from around the world, offering over 5 million citations and nearly 3 million full-text works from thousands of universities.

Within dissertations and theses is a wealth of scholarship, yet it is often overlooked because most go unpublished. Uncover new ideas and innovations with more confidence and efficiency. ProQuest Dissertations & Theses Global delivers a focused path for researchers by tapping into a global network of connected research.
