LIAISON LIBRARIAN

To support and reinforce teaching, learning and research activities at UPM, Perpustakaan Sultan Abdul Samad (PSAS) has introduced a service offered by Liaison Librarians. Under this service, PSAS has appointed Librarians who are responsible for the faculties, schools, institutes, and centers.

The roles of Liaison Librarians are :

- To establish cooperation and foster a two-way understanding between Library and faculty, schools, institutes or centers.
- To educate users how to access, identify and evaluate materials from multiple sources through the Information Skills Classes.
- To provide information advice via face-to-face, telephone, email and online chat.
- To assist in enhancing the development of library collections in related fields.
- To support the needs for teaching and learning information for all UPM communities.
